## NORDIC DESIGN TRADITION AND TREND

We welcome you to our booth at IMM Cologne, Germany from the 15<sup>th</sup> to 21<sup>st</sup> of January, 2018.

This year we are introducing more than 20 new models, in upholstery and wood, showcasing new fabrics and materials, as well as mixing trend and tradition. Make sure to stop by and get updated on the latest in Scandinavian Design.

You are welcome to visit our website [www.scandinaviandesign.as](http://www.scandinaviandesign.as) to learn more about our authentic design and our quality manufacturing process for both sofas and indoor wooden collection.

We also invite you to visit our main showroom in Ho Chi Minh City, Vietnam should your travels take you far East, especially during our large in-house fair in March and September.

We look forward to seeing you.

Kind Regards,

The Scandinavian Design Team
